EDINBURG | MARCH 29

EDINBURG CONFERENCE CENTER AT RENAISSANCE

We are excited to announce the Governor's Small Business Conference in Edinburg, Texas, to be held from 8:00am - 4:00pm on March 29, 2019.

The Governor's Small Business Conference is a learning and networking opportunity for businesses at every stage of development. Throughout the day, the event features separate tracks designed to assist new and existing businesses. The conference connects entrepreneurs and small business owners with business resource providers, such as lenders, non-profits, and local, regional, state and federal agencies. The event is a platform for resources providers and successful business owners to offer expert assistance and guidance through breakout sessions, panels, and exhibitor networking.

Registration includes parking and lunch.
